Through Certificates, Series 2007-7T2 vs. Andrew J. Witty  
Docket No. F-024738-14

Dear Judge Arleo:

Please accept this request on Plaintiff's behalf for a continuance of the September 18, 2023 return date on Defendant's Motion to Stay the foreclosure proceedings. Defendant filed the motion on or about August 24, 2023. However, due to inadvertent error, the motion was not uploaded properly into the case management system of KML Law Group, P.C. and as a result, there was no timely attorney review. I have recently been assigned to this case, and first saw Defendant's motion on September 15, 2023. Plaintiff would like an opportunity to file a brief response and thus makes the within request.

On September 18, 2023 at 8:45 am, I spoke to Mr. Witty to determine if he would consent to the request. He could not speak but advised that he would return my call. There was no return call by midday today, so I called Mr. Witty again but was able only to leave a message. Thus, I cannot represent to the court that Mr. Witty consents to the request. I do expect to be able to file a response quickly.

Thank you for your consideration in this matter.

Respectfully,

KML Law Group, PC
